TITLE SPONSORS

CSL Behring

The Hawaii Chapter of NHF (HI-NHF) is a 501(c)(3) nonprofit organization serving people with hemophilia, von Willebrand disease and other bleeding disorders since 2016. HI-NHF provides education programming and support services for families within all islands in Hawaii, helping those affected lead healthy and normal lifestyles. HI-NHF works with national organizations and industry partners to improve healthcare, support research, and provide necessary resources for the bleeding disorders community. The impact of your kindness is immense to the island ohana.
