

October 3-7, 2020

TEEN LEADERSHIP SUMMIT

If you're a teen (13-19) please consider attending our new Hawaii Teen Summit. The week will include fun and exciting programs designed to educate you about YOU! Answering some of those "burning" questions of adulting, and building the skills to be an active participant in your community with leadership, personal/legislative advocacy. You will have the chance learn, to talk story and just enjoy the fun activities on sit, as well as build lifetime connections and friendships.
