THE CLUB AT HOKULI'A

• 7 DECEMBER 2020 •

Aloha,

The Hawaii Chapter continues to support the bleeding disorders community with reliable information, programs and services. This support includes education, advocacy, financial assistance, scholarships and updates on COVID-19 and how it specifically impacts the bleeding disorders community. In order to assist with the control of, and decrease risk, the chapter has **MOVED** our tournament to December 7th, 2020.

We realize this is a difficult time for everyone, however your favorable consideration and continued support are greatly appreciated, so that we are able to continue to support community assistance programs.

Well Wishes to everyone!!
