

YOU'RE INVITED!

Understanding von Willebrand Disease (VWD)

Did you know that von Willebrand disease is the most common inherited bleeding disorder? This HELLO TALK® program provides an educational format to introduce the symptoms and types of von Willebrand disease, recognize potential treatment options, and learn how emotional and community support systems can help those living with this bleeding disorder.

You're invited to participate in HELLO TALK, an educational program for individuals affected by bleeding disorders.

This TALK is intended for VWD patients, caregivers, and others interested in learning more about VWD.
