

May 11, 2018

To our valued partners:

The Hawaii Chapter of the National Hemophilia Foundation, is a 501(c)(3) nonprofit organization serving people with hemophilia, von Willebrand disease and other bleeding disorders since 2016. HI-NHF provides educational programming and support services for families within all the islands in Hawaii, helping those affected lead healthy and normal lifestyles. HI-NHF works with national organizations and industry partners to improve healthcare, support research, and provide necessary resources for the bleeding disorders community.

We will be hosting our 2nd Annual Golf Classic on Monday July 9, 2018 at the picturesque Hokuli'a, a private course in Kona. The Charity Golf Tournament is one of our largest fundraiser of the year and our main source of revenue for the programs and services we provide to the bleeding disorders community. Funds raised from this event help us:

- Send Families with bleeding disorders to Family Camp – Koko Ohana
- Deliver educational programming
- Provide financial assistance for those in need

We appreciate your participation by golfing, donation of prizes, donation for goodie bags, becoming a sponsor, or by simply volunteering your time. Should you decide to become a sponsor or are able to donate a prize, we would appreciate your response by June 15, 2018 for proper acknowledgement. The tournament format is a 2 person scramble. We would appreciate if your prize donation be in pairs to accommodate the teams as prizes will be awarded in groups of two.

Attached you will find an entry form and a sponsorship form. Your favorable consideration and your generous support are greatly appreciated so that we are able to continue to support educational and community assistance programs. If you have any questions, please contact Mr. Donald "Ziggy" Douglas, our Executive Director, at (808)782-5506.
